Who wants a Good Head of Hair? Use Mrs. Wilson's Hair Regenerator and Hair Dressing.

Please read a few certificates from the following reliable and well known people.

MESSUS. HENRY P. WILSON & Co...My wife is now using your Regenerator for the hair, and pronounces it far superior to anything she ever used for the hair. It is easily applied does not roll in the least—has no disagree-able odor, increases the growth of hair, prevents it full-ing off, and often cures the headache. I forward you this certificate unsolicited, because I think an article that will do what your Hair Regenerator will, should be widely known. I think it is the best article for the hair now in use. Respectfully, &c.,

REV. JACOB STEVENS, Newburyport, Ms.

"I like the Hair Regenerator and Dressing very uch." REV GEO. W. WOODING, Hartford, Ct. "I unhesitatingly pronounce it an invuluable arti-cle from the effect on my own kend." S. A. Hill, wife of Rev. Henry Hill, Manchester, N. H.

"It rendered my hair soft and glossy "
MINOT FARRAR, Saratoga Springs, N. Y. "I feel confident that it operates sor as a dye, but to restore the roots to their natural healthy state."

REV. E. M. KELLOG, Nashun, N. H. "I most cheerfully recommend it to all persons."
REV. C. RUSSELL, Littleton, N. H. November 1

Messas. Hener P. Wilson & Co.: I have no hesitancy in saying, in my opinion, Mrs. Wilson's Hair Regenerator and Hair Dressing are the best hair preparations now in use. I shall continue to use them with pleasure.

REV. H. H. HARTWELL, Lawrence, Mass.

Messas, Henry P. Wilson & Co.: I have used your Messas. Herry P. Wilson & Co.: I have used your Hair Regenerator and Hair Dressing, and have received great benefit from them. I deem the articles worthy of high commendation, and cheerfully recommend them to all who want to restore gray hair to its original color, or to any who are troubled with dandruff, or a disagreeable tiching of the head, or humors, or to those whose hair is falling from the head.

REV. G. W. H. CLARK, Great Falls, N. H.

Mneans Henry P. Witson & Co.: I deem Mrs. Wilson's Hair Regenerator and Hair Dressing the standard articles of all hair preparations. I have, in many instances, known them to restore the hair where it had fallen off, remove dandruff, restore the hair to its original color, cure entirely the most painful headaches—and in some instances most serious humors. Personally, I have been a sharer in several of these henefits. Rev. HENKY HILL, Manchester, N. H.

MRS. WILSON'S COCOA-NUT OIL HAIR DRESSING

Mrs. Wilson's Hair Dressing is put up in large bottles, and retails for 37 cts, per bottle, and for dressing the hair of any person, young or old, there is not its equal in the world. It will make the hair everything you wish it to be, and moreover, it has a perfume that is infinitely superior to any of the fashionable extracts, either foreign or American, which alone should entitle it to a place on every lady's toilet table.

Use the Regenerator before retiring at night, and in the morning apply a little of the Dressing, and your hair will be even more lifelike in color and beauty. Use nothing on your hair but these preparations, and use these according to directions, and we warrant you a good healthy head of hair.

Manufactured and sold at wholesale by Henry P. Wilson & Co., Manchester, N. H., to whom all letters should be addressed.

WOOD or COAL. Ahead of all Competition!

5463 of them manufactured last year-more than double the number of any other first class stove in one year, in the United States.

THEY contain all the improvements which are in all the first class stoves, and the advantages and improvements over other stoves are in part as folious:

1st. The arrangement for broiling on the front hearth,
—an improvement overlooked in other first class stoves.

It has the same arrangement for broiling on top. also the same arrangement for broiling on top.

24. A thorough ventilation of the Oven.
25. Introducing hot air draught to the fire chamber, thereby increasing the draught of the Stove, quickening thereby increasing the draught of the Slove, quickening its operations, and enabling it to throw out more hear—a matter much and justly complained of in other Steves.

4th. An important improvement in the application of the damper, which throws the heat around the oven.

5th. Much greater weight, consequently heavier plates, and more durable as well as landsomer castlings.

6th. A draft damper at each end of the fire box, so that the fire is equalized, and one gridle will heat as quick as the other, also heating the oven it half the time.

7th. Fire back protected by soap-stone, so it cannot 7th. Fire back protected by soap-stone, so it cannot

burn out.

ig In addition to the above improvements, it has all that is combined in other first class Stoves, viz.—Het water Reservoir, Werming Closet, Roaster in front, Baker on top, Doors lived with lest Russia Iron, &c. &c. Further, this stove is warranted to do the work with as little fuel as any other stove in the market, and in a superior manner.

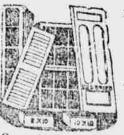

All who want a first class Stove, should never buy until they call and see the Good Sanararan, as they have in every instance given satisfaction.

I am the exclusive agent for the sale of this Stove in Montpelier, and sell it on trial for any reasonable length of time; so all are safe in buying. About petier, and self it on trial for any reasonable lengt of time; so all are safe in buying.

I have also as full an assortment of Common Stoves hand re any other dealer in Washington County, and as ow as any one in the State.
